(b) As specified in § 760.1106(c), the payment under the 2005–2007 LCP may not exceed the smaller of the calculated payment in § 760.1106(a) or the value of the producer's eligible feed loss, increased feed costs, or forage or grazing loss.

(c) A person may receive no more than \$80,000 under 2005–2007 LCP, subpart L of this part. The rules and definitions of part 1400 of this title apply in construing who is a qualified separate “person” for purposes of this limit. All payment eligibility requirements of part 1400 as they apply to any other payments, also apply to payments under subpart L of this part.

This limit must be enforced by the state government administering the grant program.

(e) The provisions of part 1400, subpart G, of this title apply to these programs. That is the rules that limit the eligibility for benefits of those individuals or entities with an adjusted gross income greater than a certain limit will be applied in the same manner to payments under subparts L and M of this part.

(f) As a condition to receive benefits under subparts L and M of this part, a participant must have been in compliance with the provisions of parts 12 and 718 of this title for the calendar year for which benefits are being requested and must not otherwise be precluded from receiving benefits under any law.

(g) An individual or entity determined to be a foreign person under part 1400 of this title is not eligible to receive benefits under subparts L and M of this part.

(h) In addition to limitations provided in subparts L and M of this part, participants cannot receive duplicate benefits under subparts L and M of this part for the same loss or any similar loss under:
